Dear Parents and Carers,

It gives me great pleasure to write to introduce myself as the new Principal of Khalsa Primary School.

Having met all the students, staff, governors and some parents, I am very excited about the opportunity to lead this wonderful school. I cannot wait to get to know all the children and families at Khalsa Primary School.

I believe every child can do amazing things and it is our job to help make this potential a reality.

With outstanding education, every child has the freedom to choose their own future. As you are the most important person in your child's life, it is really important that we work together to support each other in making sure your child gets the best education possible.

On a personal note, I am honoured to be part of a school which I was instrumental in developing in 2001. I have a very "open" leadership style, and you can come in to see me at any time. You do not have to make an appointment – my parent service is non negotiable.

**You are the most important visitors to our school; you are not dependant on us,
we are dependent on you**

You are not an interruption to our work; you are the purpose of it

You are not an outsider to the school; you are a part of it

We are not doing you a favour by serving your children, but you are doing us a favour by giving us an opportunity to serve you and your children

The Principal's role can be lonely, so please drop in to see me.

May I also extend my heartiest congratulations to you all on the auspicious occasion of Vaisakhi.

Warm regards,

Raminder Singh Vig
Principal
