Friday 11th February 2016

Dear Parent/Carer,

On Monday 8th February four of our Year 6 pupils attended a Maths Challenge at St John's Beaumont School in Old Windsor. The children competed against 40 schools from the local area.

The children faced three challenges which included: solving equations, calculating missing values and problem solving. They demonstrated a high level of commitment and enthusiasm towards the challenge and enjoyed participating in a fantastic opportunity.

As a result of the children's hard work Khalsa Primary School finished in the top 14. We would like to take this opportunity to celebrate how proud we are of the children and their achievements.

Kind regards
Miss Deol.
