

# Sports Funding

2014 - 2015

At Khalsa Primary School we have used our annual Sports Funding of **£10,100 (based on £8000 plus £5/per pupil)** to join the Slough School Sports Network (which gives us access to competitions throughout the year), and contribute towards the salary of our PE Teacher.

Work has been done in 4 key areas of development:

- 1) Coaching staff to increase their skill base
- 2) Coaching children to increase their skill base in both PE skills and extended life skills in the five areas of personal, social, creative, cognitive and physical aspects
- 3) Creating a PE assessment system
- 4) Providing additional sporting opportunities for the children in the curriculum and in extra-curricular activities

# Coaching staff

- Our PE Coach has worked alongside all of our teaching staff, modelling, team teaching and observing all class teachers, and together they have successfully improved and continue to improve the PE teaching and learning experience for both themselves and the children.

## **Impact in 2014/15:**

Staff continue to show increased skill and confidence in teaching PE following on from work done in 2013/14

## **Impact in 2013/14:**

Staff skill base increased by 34%

Staff confidence increased by 42%

# Coaching the children

## ◎ New skills based programme introduced

- ◎ The children participate in two PE lessons a week.
- ◎ A new PE assessment system was written which included both PE focus and life skills including personal, social, creative, cognitive and physical aspects, which the children can take into other lessons, for instance: “I can encourage others when mistakes are made” and “I can refine my work based on feedback”. **All children have been assessed and given levels.**

### **Impact in 2014/15:**

- 1) PE is one of the favourite subjects for the children
- 2) Children can self-reflect against a set of criteria for their performance
- 3) Children can articulate their gains and areas on which to work in terms of life/teamwork skills and have target levels to work towards.
- 4) Teachers have a skills based framework to help assess the children's progress in PE

# Extended impact of the life-skills focus for the children in other areas of the school

- 1) Children's self-awareness of team building, sportsmanship and life skills have increased to the degree the Y6 now run their own 'Junior Leaders' sports leadership programme
- 2) Each lunchtime, the team, who were elected by their peers and teachers in a correct election process, set out games for the other children, guide and mentor them in playing
- 3) The example of the Junior Leaders, led to Y5 and Y6 also setting up a Playground Smilies system, where they elected a team of children to be pastoral mentors and problem-solvers

# Providing additional sporting opportunities for the children

## 1) New Intra/Inter – school competitions set up

We have played against other local schools in Football matches and Cricket matches. We have also attended sports tournaments involving dozens of schools.

Below is a table showing intra and inter school competitions from September 2014 – July 2015. **We have held at least one whole school PE event every half term. IMPACT – all children exposed to variety of sports and competitions, in and out of school.**

Autumn	1.1	Autumn	1.2
<p>Junior Leader Programme started and led to whole school having organised sports and games during lunch times.</p> <ul style="list-style-type: none"> <li>• Whole school Maths/PE Challenge – Orienteering (Years 4 – 6) and Bean Bag Raid (Years 1 – 3)</li> <li>• <b>Date: Monday 17<sup>th</sup> – Friday 21<sup>st</sup> November</b></li> </ul>		<p>Sports Leadership Morning – Years 2,3 and 6</p> <p><b>Date: December 2015</b></p>

# After school clubs

- We have greatly increased our after school clubs provision and now hold on average two sports clubs a day after school. Since September 2014 we have held the following after school sports clubs. All the clubs were for either years 1 and 2, 3 and 4 or 5 and 6.

## List of Sports Clubs

Athletics

Badminton

Basketball

Cricket

Football

Gymnastics

Hockey

Multi – Skills

Netball

Punjabi Sports

Rounders

## Impact in 2014/15

### In 2014/15

**There were an average of 140 children per term involved in sports based after school clubs.**

**This was a significant increase on 2012/13 where 40 children took up sports clubs.**

### In 2014/15

**There were a minimum of 2 after school sports clubs offered per day. Compared to 2013/14 where there were 2 per week.**
