Message from the Chair

It's that time of the year again as parents we take a sigh of relief, knowing school is out and we have a few weeks off. The kids are happy, sun is shining and all in all we've had a great academic year.

This was the beginning of our second year in term and we were lucky enough to recruit a few more parents to actively join the PTA. We have a fabulous team all working tirelessly to make our children's time here at KPS a more memorable and enjoyable experience. If you see these guys around please give them a pat on the back, they've done amazingly with the resources we have.

This year as mentioned before we have managed to accomplish a lot of tasks. the biggest being the **Bake On** contest whereby we had managed to get a celebrity in to judge the cakes, the **CIRCUS** also came to town for our kids and lastly we managed to revamp **Sports Day** and make it even more enjoyable for the children, parents and staff.

A lot of work goes behind the scenes when it comes to events, from liaising with the school, councils, police and even a few of you. But we couldn't have done any of this without the support of the school and you the parents. A massive thank you to all that bought our raffle tickets, attended events and participated in competitions. It is because of you all, we keep going and keep trying to create bigger and better events.

One final thank you must go out to a few external companies around who always support our ventures donating food, drinks and many more items. Your support is so valuable and very much appreciated.

A final farewell to our Year 6 children - we hope your time at KPS was memorable and enjoyable and hopefully prepared you for the big world out there.

See you all in September, when the fun starts again.

Until next year...

We can't quite believe that we are yet again saying good-bye to another fantastic academic year at KPS. It definitely has been a busy and an eventful one and we believe that we have accomplished so much. This could not have been achieved without the support of the parents, pupils, teachers and the many external companies that always go out of their way to support the PTA events. So we would like to take this opportunity to thank each and every one of you for your continued support throughout the year and trusting us to put things in to place for your children. We believe we all make a great team and together we can all achieve so much!
