PRESS RELEASE

KHALSA PRIMARY SCHOOL, SLOUGH SHORTLISTED FOR THE TES SCHOOLS AWARDS 2021

Friday 14 May 2021

The most outstanding individuals and institutions that the education sector has to offer have been recognised in the shortlist for the Tes Schools Awards 2021.

It's been revealed that **Khalsa Primary School, Slough** has been shortlisted for the **Primary School of the Year** award 2021.

Tes editor Jon Severs said: "It is more important this year than ever before to celebrate the fantastic work schools do, because in the past 12 months they have gone above and beyond to ensure pupils were able to be educated and be kept safe in extraordinary circumstances. We were inundated with entries that demonstrated just how hard the pandemic made the work of schools, and just how amazing the response from staff has been. We are looking forward to showcasing, as we do every year, just how vital our education professionals are to every facet of this country. "

After a very successful online awards ceremony last year, we are once again holding this year's awards ceremony virtually. Winners will be announced on Friday 25 June 2021
