Message from the Vice-Chair

As we close out the school year, I want to take a moment to thank all of our parents, teachers and volunteers for an amazing year. Because of this community's fundraising and volunteer efforts, we were able to offer an action-packed year filled with many new and exciting events like our Winter Fete and The Fun Run. The events that the PTA support reinforces the already strong fabric of our Khalsa Primary School Community. By continuing to build a strong community, we help to enrich the educational experience of our children.

While it is easy to see our PTA in action by highlighting events like those above, it may be difficult to see the day-to-day impact that the PTA has on Khalsa Primary School and our children. We wanted to take a moment to highlight some of those items to help you understand the importance of your continued support:

- Donating of Ramaals/Patka to the gurdwara
- New United Kingdom flag for the school
- Helping raise funds for the new road
- Sponsoring the fun run
- Help support the school to buy reading resources for the children
- Supporting the new mini bus project
- Sports Day drinks stall
- Summer Mela
- Introducing Class list

As you reflect on this past year, please know that you made a difference and you were a big part in making 2017-2018 a great and memorable year. We look forward to working with you all to make 2018-2019

another unforgettable year. We are so proud to be a part of this wonderful school community! We thank each and every one of you for everything you have done this year to support students and staff. Without you, none of these things would be possible. You should be proud of the huge difference you made in your child's education this year.

Please have a safe and happy summer - enjoy your families!

Message from the Secretary

What an exciting year it's been this year! By ending the year with a fantastic event – the PTA Fun Run, we hope that we have motivated many of you to join our team come September 2018. It would be amazing to see our team grow and progress with the help of all of you.

We are thankful for to all of you for your continued support throughout the year and trusting us to put things in to place for your children. Our goals for next year include involving the children more in events, providing new and different experiences using the funds raised and creating an even more close knit community at KPS.

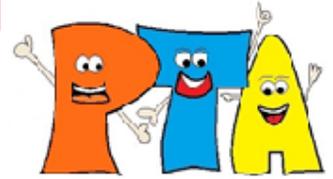

Have a fantastic and enjoyable summer and we hope to see many of you at our first 2018/2019 PTA Meeting (Date TBC) – we look forward to hearing all of your new ideas for the new school year!

PTA FUN RUN

Drum roll please...

With the incredible fundraising completed by the fantastic children at KPS – we have raised an amazing amount of...

£3000.00!!

This is amazing news and we are so pleased with all of the hard work and support from the families at KPS. The children had so much fun completing the obstacle course, running through water shooters and completing difficult tasks. They have earned their fantastic medals at the end and we couldn't be more proud of them. Thank you to all the parents who donated and supported us in achieving this amazing amount.

Class List

This is just a reminder to those of you who have not had a chance to join Class List, please sign up and join our community of parents. This is a wonderful opportunity to interact with other parents, organize events and build a close knit community.

It is completely free and all you have to do is sign up and select your child's year group. You are able to download this as an app on to your phones or access it via the website: <http://www.classlist.com>

Message from the Treasurer

Piaryee Sangat Ji

What an exciting year it's been for the newly reformed KPS PTA team and this could not have been possible without the help and contributions from our Sangat Ji. This being our first year we kept the PTA custom going with Winter Fete (December 2017) and added the first ever PTA summer event called the Fun Run (July 2018).

With a few effective changes to Winter Fete this proved to be very successful and the Fun Run proved to be even more successful. Please see below an overall KPS PTA financial summary for this academic year;

	£
Total Income	5,934
Total Expenses	(837)
Funds to KPS	(1,943)*
Profit	3,154**

*Funds to KPS; contribution made towards 1,000 school books and funded Mr. Bath to purchase PE/sports equipment.

**Figure does not include intake from the summer mela

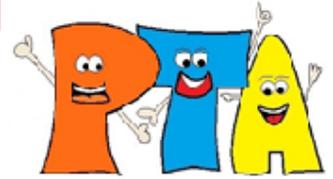

The funds raised from the PTA Fun Run will hopefully go towards new playground markings for the children and new fans for the classrooms.

Message from the Chair

Can you believe it, another academic year has come and gone and what a year it has been! Full of highs and lows, laughter and tears and meetings upon meetings.

This year has seen a new team come together - all focused and ready to improve our children's' time here at KPS:

Leadership team members: Kirti (Y1), Arvinder (Y1) and Pav (R)

Staff reps: Mr. M Singh and Mrs. P Panesar

Primary committee members:

Harprit (Y1), Gurdave (R), Guneet (Y1), Reena (Y2), Gurpreet (R).

A special mention and thank you must go out to these few - as without them nothing would have, or could have been organized. Endless hours of research, meetings, thoughts, debates. taking time out of their days to get things done, taking days off work to help man and supervise events and coming together to rally support amongst our KPS parents. Apologies if I have missed anyone out – all in all, it was great teamwork!

We must not forget some of the other parents who have been involved throughout the year: **Anita (Y4), Nav (Y1), Jas (Y3), Rupi (Y4), Rabina (Y1), Kam (Y1), Joginder (R), Harmeet (R), Bal (Y1), Nav.B (Y1)**

I would also like to take this opportunity to pay our respects to a dear friend and colleague who has passed. **Mr. Satnam Thamu** was a core member of the PTA team. He had limitless knowledge about endless topics and it was with his support and encouragement that I became Chair of the PTA. He asked all the right questions, encouraged us to think outside of the box and quickly became our back bone and a resource center full of facts and knowledge. RIP Satnam and thank you for your guidance - "**Gone but never forgotten**"

Our aim this year was to raise money in a fun, exciting and interactive way, and spend this money in ways that the parents want it to be spent. We already have some fantastic ideas for next year which we are already putting into motion. We want to bring you more events, more experiences, more choices and more fun. If you would like to get involved with the PTA come and see us and we'd be delighted to have you in the team.

Last but not least – the most important thank you goes to all of you - **The Parents of KPS**. With everything going on we couldn't have achieved our goals for this year without your **generosity and kindness**. Collectively we have achieved an amazing number of funds and with these funds we can provide more resources and experiences for our children and create many happy fun filled memories for the children and parents at KPS – the sky is the limit! We hope you all have a lovely summer and look forward to a brand new start in September.
