- Selects the correct numeral to represent 1-5
- Counts objects to 10 and then beyond 10
- Counts objects or actions which cannot be moved

Shape, Space and Measure
- uses common shapes to create and build models
- begins to use mathematical names for 3D and 2D shapes and mathematical terms to describe shape
- create pictures and patterns with 2D shapes
- Orders two or three objects by length or height
- Uses everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and solve problems
- orders two or three items by length or height
- uses everyday language to talk about size to compare quantities and objects and to solve problems
- recognises, creates and describes patterns
- orders two items by weight or capacity

Understanding the world

People and Communities/ The World
- talk about features of their own immediate environment and how environments might vary from one another
- looks closely at similarities, differences, patterns and changes
- makes observations of animals and plants
- make observations of animals and plants
- talks about features of their own immediate environment and how environments might vary from one another
- talks about changes
- explains why some things occur

Technology
- select and use technology for particular purposes
- uses ICT hardware to interact with age appropriate computer software
- completes a simple program on a computer

Expressive Arts and Design

Exploring and using media and materials
- work with the visual elements to explore and create visual outcomes, talk about and comment on what they produce
- experiment with the mark-making properties of media manipulates materials to achieve a planned effect
- constructs with a purpose in mind using a variety of resources
- constructs with a purpose in mind, using a variety of resources
- selects tools and techniques needed to shape, assemble and join materials they are using
- creates simple representation of events, people and objects
- experiments to create different textures
- uses simple tools and techniques competently and appropriately
- creates simple representations of events, people and objects
- safely uses and explores a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function
