Creativity

Multimedia – To create a computer game

Singing – Perform choral singing

Art – Print making (festive cards)

DT – Create a simple recipe, bake and decorate cookies.

WOW MOMENTS

Through drama, children will experience the ten ages of Christmas from Medieval to Post War!

Baking cookies.

Making festive cards using a range of print making techniques.

A visit from a rabbi to talk about Hanukah.

Critical Thinking

Christmas tree – If you had to replace the Christmas tree, what object would you choose? Why?

Use a variety of efficient written methods for addition, subtraction, multiplication and division.

Apply these methods to solve a variety of real life problems and develop our reasoning skills.

Carry out experiments to observe objects going through the process of melting, cooling, freezing, heating, boiling, evaporating, condensing and dissolving.

The World and Me

How Christmas celebrated around the world?

How is Christmas similar or different to other religious festival?

To respect other people's beliefs and tradition.

To know and understand the importance of friendship.
