

Khalsa Primary School Curriculum Map

Year 6 Autumn 2-The Spirit of Christmas

Collaboration

Presentation to show how Christmas is celebrated in other countries.

Creativity

As creators, we will think creatively in our learning and begin to learn new techniques for how to make and present our work.

The World and Me

As super citizens, we will celebrate Christmas traditions around the world.

Critical Thinking

As learners, we will use our higher order thinking skills such as comparing, contrasting and evaluation.

As Musicians we will...

Explore structure and harmony before performing melodies by ear.

As Digital Citizens we will...

Use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour. We will use the internet to research topic work. We will select and print from the page.

As Historians we will...

Identify differences between ways of life at different times. We will ask and answer questions about the past.

As faith learners, we will...

Describe and explain what motivates and inspires believers. As Panjabi speakers, we will read and recognise: Noun Pronoun Adjectives Verb Adverb

As Geographers we will...

Locate major cities around the worlds and draw conclusions as to their similarities and differences.

As Writers we will...

Write narratives, considering how authors have developed characters and settings in what pupils have read, listened to or seen performed.

As Scientists we will...

Investigate reflection of light and describe its properties.

As sportspeople, we will ...

Play competitive games, modified where appropriate, and apply basic principles suitable for attacking and defending.

As Mathematicians we will...

Compare and order fractions including fraction greater than 1. We will also add, subtract, multiply and divide fractions.

As Artists and Designers we will...

Learn how to make the traditional Christmas food of Poland.

As Readers we will...

Identify and explain how meaning is enhanced through choice of words and phrases. We will learn to retrieve information key details from fiction and non-fiction..

As Mathematicians we will...

Compare and order fractions including fraction greater than 1. We will also add, subtract, multiply and divide fractions.

As a super citizen (through PSHE) we will...

Refer to the 5 values to discuss how we can build out social skills. Reflect on or actions and how it affects others.
