WOW MOMENTS

**Entrepreneurship workshop.
Designing and making salad box to sell.
Make posters to promote products.
To sell their product to children and parents.**

Critical Thinking

Healthy eating – What do animals need to stay healthy?

Vegetarian – How do vegetarians and vegans stay healthy and get balanced diet?

Business – How recycling can help with profit making?

Product design – Should advertisers always tell the truth?

The World and Me

To promote healthy eating at school.

Why school should we redesign our salad bar?

To know and understand the importance of recycling.

To know and understand the importance of nutritional values and how it affects human and other animals.
