

# Khalsa Primary School Curriculum Map

## Year 4 – Spring 1 A Right Royal Battle

### Collaboration

As collaborators we will take turns and consider different views. We will respond to each other's opinions.

### Creativity

As creators, we will think creatively in our learning and begin to learn new techniques for how to make and present our work.

### The World and Me

As super citizens, we will help others and understand that everyone has a view and to respect others' views

### Critical Thinking

As learners, we will use our higher order thinking skills such as comparing, investigating, ordering and evaluating.

#### As Writers we will...

Write in role as a character from the story, advising the main character about what they should do. Plan a narrative with a historical setting.

#### As Readers we will...

Read stories with a historical background, infer the feelings of characters and compare with our modern times. We will identify and discuss our favourite vocabulary and think

#### As Mathematicians we will...

Solve problems involving multiplication and division; develop our knowledge about fractions and the decimal equivalents and our understanding about units of measurements.

#### As sportspeople we will...

develop flexibility, strength, technique, control and balance. We will also use running, jumping, throwing and catching in isolation and in combination with a focus on team sports.

#### As Geographers we will...

Explore and compare places in the UK and Europe and identify where significant battles in the past took place and why such places were significant to the history of England.

#### As Historians we will...

Ask and answer questions about the past. We will recognise why people did things and investigate traditional artefacts. We will order events chronologically. We will try to understand the significance of events the past and link it to significance changes in modern times.

#### As Scientists we will...

Use scientific evidence to answer questions. Gather and record findings, report on what the evidence shows through written explanations of results and conclusions

#### As faith learners we will...

As Sikh faith learners, we will understand the history of Sikhs and the character of a Sikh.

#### As Musicians we will...

listen carefully, recognise and use repeated patterns and increase aural memory

#### As Artists and Designers we will...

Use sketchbooks to record observations and use them to review, revisit and improve our ideas.

#### As Panjabi speakers we will...

Learn set 6 letter sounds and 2 vowel aunkar and dulankar and write sentences.

#### As super citizens we will...

know and understand our friends' views and learn how to respect the views of other people without criticizing it.

#### As Digital Citizens we will...

use digital software like Scratch to develop a scene from the Battle of Hastings and add code to bring the scene alive.
