Dear Year 1,

Fee Fi Fo Fum!

I am going on holiday for two weeks and need your help. Can you please look after my golden coins and my special ukulele? Also my magical hen is not feeling well and she hasn't been laying any golden eggs recently. I will send 10 of her brown eggs for you to look after until she is feeling better. I don't want Jack to come and steal the eggs so I'm trusting you to look after them! I will also keep watch through the cameras when you are not in the classroom.

If you look after everything and keep the eggs safe from Jack, I will bring you a special treat!

Oh and by the way I'm not a horrible giant. Jack made me angry because he came and stole things from my castle. It's very naughty to steal things isn't it!

From  
The Giant

P.S. I have sent you some magic beans so you can grow your own magic beanstalks.
