Waheguru Ji Ka Khalsa Waheguru Ji Ki Fateh

First and foremost, we want to wish you all a very Happy New Year and hope that you have had a fantastic start to 2019! We have had an excellent start to the new school year and can't quite believe that we are already into the second term. Our PTA team has grown by many new members – we are thankful for this and hope that it will motivate and inspire more of you to join us. ☺

Please remember, if you ever have any concerns or queries, we can address these during our meetings, or you can stop one of us during drop off & pick up time.

Winter Fete

On Fri 21st December, the PTA held our annual Winter Fete and what a success it was! The aim of this year's fete was to involve the children more and let them take control of certain aspects. Whilst we still had our cake stall, face painting, balloon stand and the lucky dip... we were blown away by the Year 6 Apprentices stalls. They did an amazing job coming up with their ideas and creating plans to make their stalls a success. The Year 6 children collectively raised over £600 between them!! We hope these high spirits will carry on amongst the children and will motivate them to achieve even higher next year.

We thank you all for your continued support with the Winter Fete and hope to carry on this tradition in the coming year. Now for the grand total...all together we raised... **£2553.38!** This amazing total will help the school with the new Science project. Thank you once again!

In addition to all the fantastic support we have received from you, we would like to thank our amazing sponsors who provided us with a large number of donations that helped us put the event together:
