

Khalsa Primary School Curriculum Map

Year 4 – Spring 2 1066

Collaboration

As collaborators we will take turns and consider different views. We will respond to each other's opinions.

Creativity

As creators, we will think creatively in our learning and begin to learn new techniques for how to make and present our work.

The World and Me

As super citizens, we will help others and understand that everyone has a view and to respect others' views

Critical Thinking

As learners, we will use our higher order thinking skills such as comparing, investigating, ordering and evaluating.

As Writers we will...

Plan a practical task, use research skills to research the topic of 1066 and beyond and write a traditional story.

As Readers we will...

Read extracts of fiction with a geographical background, infer the feelings of characters and compare with our own lives. We will identify and discuss our favourite vocabulary and think about word meanings.

As Mathematicians we will...

We will extend our knowledge about fractions and the decimal equivalents and solve problems involving fractions and decimals.

As sportspeople we will...

Develop flexibility, strength, technique, control and balance. We will also use running, jumping, throwing and catching in isolation and in combination with a focus on team sports.

As Geographers we will...

Explore the local area of Hastings, Battle town and surrounding areas and create a map of the local area.

As Historians we will...

Ask and answer questions about the past. We will try to understand the significance of events of the past and link it to significant changes in modern times.

As Scientists we will...

Use scientific evidence to answer questions. Gather and record findings, report on what the evidence shows through written explanations of results and conclusions

As Panjabi speakers we will... As Panjabi speakers, we will recap first 5 sets of letter sounds and 5 vowels (First 25 alphabets and kanna, sihari, bihari, lawa and dulawa vowels). We will learn set 6 and two symbols (Aunkar and Dulanker). We will start making sentences in Panjabi.

As Musicians we will...

Listen carefully, recognise and use repeated patterns and increase aural memory

As Digital Citizens we will...

Develop our skills in various Microsoft packages and develop our coding skills by using Scratch.

As Artists and Designers we will...

Study Hannah Höch and create a collage in this style.

As Sikh faith learners, we will understand the history of Vaisakhi.

As super citizens we will...

know and understand our friends' views and learn how to respect the views of other people without criticizing it.
